The following action is in response to the amendment received July 6, 2005.

***Allowable Subject Matter***

Claims 1-5 and 7 are allowed.

***Reasons for Allowance***

The following is an examiner's statement of reasons for allowance:

The prior art of record fails to show or render obvious a sliding collar as defined in claim 1 wherein the plurality of teeth project above at least one of the end faces and wherein the teeth have lateral surfaces formed of a cone segment or formed of a cone segment and one or more truncated-cone segments.

Cancellation of claim 6 in the amendment filed July 6, 2005 overcomes the rejection of claim 6 under 35 USC 112, first paragraph. Accordingly, the rejection is withdrawn. The objection to the drawings for failing to show claimed subject matter is also overcome by the cancellation of claim 6. Therefore, the objection to the drawings set forth in the previous Office action is withdrawn.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
